

# Go-Lang Database MySQL

This screenshot shows the top portion of the CodePolitan course page. The browser address bar displays the URL `apps.codepolitan.com/courses/detail/golang-database-mysql`. The left sidebar contains navigation links: Home, Karier, My Learning, Achievement, Browse Course (highlighted), Roadmaps, Discussion, Interactive Coding, Live Webinar, Tutorial, and Leaderboard. The main content area features the course title 'Go-Lang Database MySQL' and a subtitle 'Panduan langkah demi langkah untuk belajar Database MySQL pada Go-Lang'. It indicates that 52 people have joined the course. Two buttons are visible: 'WATCH PREVIEW' and 'CLAIM CERTIFICATE'. Below these, it shows a duration of '2 Hours', a 'beginner' level, and a 'Download source code' link. A 2.2 rating is shown with five stars. At the bottom, a 'TABLE OF CONTENTS' section is partially visible.

This screenshot shows the full 'TABLE OF CONTENTS' for the 'Go-Lang Database MySQL' course. The table lists 16 modules with their respective durations. To the right of the table, a box titled 'THIS COURSE INCLUDES:' lists the benefits of the course.
